

## Behavior Agreement

Date: \_\_\_\_\_

To enjoy and learn at Reinbows, we have found it necessary to establish criteria for being part of the group and working with the horses:

1. You need to show good cooperation with group leaders and other students.
2. You need to be able to follow directions.
3. You need to respect people and property.
4. You must be able to function in a group setting.
5. You can have no history of animal abuse or arson.
6. You need to give us permission to contact your school counselor regarding past incidents or behavior issues. (if necessary)
7. This agreement must be signed by your first day of the Reinbows' program.

Failure to follow this agreement will be grounds for losing your position in the Reinbows group. Bullying is unacceptable at Reinbows and all incidents should be reported to Reinbows' Administrative Director. Please contact us with any questions.

Sincerely,

Damon Weinandt  
Administrative Director, Reinbows, Inc., of Windom, MN
